**GIVE THE GIFT
OF LIGHT**

All of us need and use electricity every day of our lives. A GIFT OF LIGHT might be just the right gift for someone — no matter what the occasion — or what time of the year! Congratulations! Birthday Wishes! Get Well! Holiday gifts. Upcoming events. Or when you'd like to thank someone with a small gift to show your appreciation.

The GIFT OF LIGHT can be purchased for any member of Adams-Columbia Electric Cooperative in any denomination. Your gift will be applied to the member's account. And best of all — you can personalize a message to be printed directly on the member's electric bill!

Visit any of our service centers and request a "GIFT OF LIGHT Bill Message Form". You may also choose from our assortment of GIFT OF LIGHT cards, which you may individually send to the recipient to herald your gift!

A simple solution to gift-giving. And a gift that all can use.
