Making sure  
it's secure.™

Cooperatives nationwide have been celebrating October as Co-op month for the last 50 years. During this time, we like to emphasize the cooperative difference and the perks of being a member.

As one of those member perks, we will be providing a document shredding event to our members, free of charge. Simply bring your sensitive documents to one of our locations on the event date, and Shred-it will destroy them on site.

## BOARD MEETING MINUTES

At this year's Annual Meeting there was a request for a public version of the Board's meeting minutes. We listened to this request and now have a version available to be viewed on our website. Please keep in mind that these minutes have been edited to remove any sensitive information. Minutes will be approved at the following month's meeting. If you do not have access to our website, you can request a copy by contacting our office during regular business hours.

## JAY'S DISCUSSION DAYS

Would you like the opportunity to chat with our CEO, Jay Porter? Stop in to see him on one of the days listed below. He will be available for general questions or for a friendly hello! A perk of being a member of a Cooperative is that you are a member-owner. That means we listen to your ideas to make the co-op the best that it can be for you, the member.

Take advantage of this special opportunity and as always, feel free to stop by the Friendship office to see Jay at anytime.
