ANNUAL MEETING NEWS

For the first time in Adams-Columbia Electric Cooperative history, we will be holding the Annual Meeting in Adams. This year's Annual Meeting will be held on Tuesday, May 16, at the new Adams-Friendship Fine Arts Center located at the Adams-Friendship High School. Registration will begin at 5:15pm with a meeting start time of 6:00pm.

If you are unable to attend, please request an absentee ballot. You can find the official request in the April issue of the *Wisconsin Energy Cooperative News* magazine or at acecwi.com, under the News tab.

The annual meeting will cover these topics:

- Director Elections
- Financial Reports for 2016
- What's in store for 2017
- Vote on proposed changes to ACEC's Bylaws

The goal of the proposed bylaw changes is to streamline operating and meeting procedures, to better ensure conformance with current legal requirements, and to "modernize" existing language. All changes are intended for ACEC to keep up with the best practices in our ever-changing cooperative industry.

You can find a summary of the proposed bylaw changes in marked up form in the *Wisconsin Energy Cooperative News* magazine or on our website under the News tab. You can also find the official meeting notice, director candidate biographies, financial reports, and program information, all in next month's issue of the *Wisconsin Energy Cooperative News Magazine*.

Have questions? Please feel free to attend the '**Proposed Bylaw Changes Q&A Session**' at the Fine Arts Center before the meeting starts.

SIGN UP FOR BUDGET BILLING

Starting in April, you can enroll in Budget Billing! With this program you will have the same easy payment every month. We look at the history of your usage over the last year and calculate an average monthly payment for the year. In April each year a true up is part of your bill. This true up accounts for any difference in what you were billed and your actual usage. A year's worth of billing history is required to enroll in Budget Billing.
