### TIME OF DAY CHANGE

Our peak periods will be changing as of November 1.

TIME OF DAY ON-PEAK PERIODS		
Date	Nov 1 - April 30	May 1 - Oct 31
Time	5pm - 8pm	1pm - 8pm

Above is a table showing the new On-Peak dates and times. On-Peak period times apply Monday-Friday, except holidays. Off-Peak periods are all other times.

### HVAC ANNOUNCEMENT

We would like to thank our members for using our heating, ventilation, and air conditioning (HVAC) services throughout the years. We have been evaluating the best way we can meet the needs of our members, participation in the program, and it's financial viability. After this evaluation, we've reached the decision to close our HVAC department.

During this transition period, we will continue to service the ground water heat pumps that we have installed. After October 1, we recommend contacting a TTherm Geo Certified Dealer for any future needs. Visit [www.tthermgeo.com](http://www.tthermgeo.com), or call (507) 463-0506 for assistance.

Thank you to all who donated to Stuff the Bus. This year we met our goal of collecting more school supplies than last year. Thanks to your help we managed to collect over 1,850 school supply items for children in need, right here in our service territory.

## OPERATION ROUND-UP®

Last year was the Lions Club International's 100<sup>th</sup> Anniversary. Each club was challenged with planning a Centennial Community Legacy Project - a visible gift to the community. The Roche-A-Cri Lions applied for funding through ACEC's Operation Round-Up® program. They were granted funding to build new restrooms for the Roche-A-Cri Lions Park on Hwy 21 in Arkdale. Previously the park only had pit toilets.
