COLORING CONTEST WINNERS

We received over 60 fantastic entries for our coloring contest, which made it very challenging for us to pick a single winner. So instead of picking one, we picked four!

The creativity in each snow globe really gets us in the holiday spirit and we're glad the kiddos enjoyed this fun project to help us out this year.

Congratulations to the kids whose art will be featured on our holiday cards this year. Thank you to everyone who submitted pictures.

Merry Christmas & Happy New Year!

Our employees and directors would like to wish everyone a safe & happy holiday.

Our office will be closed December 24, 25 and January 1.

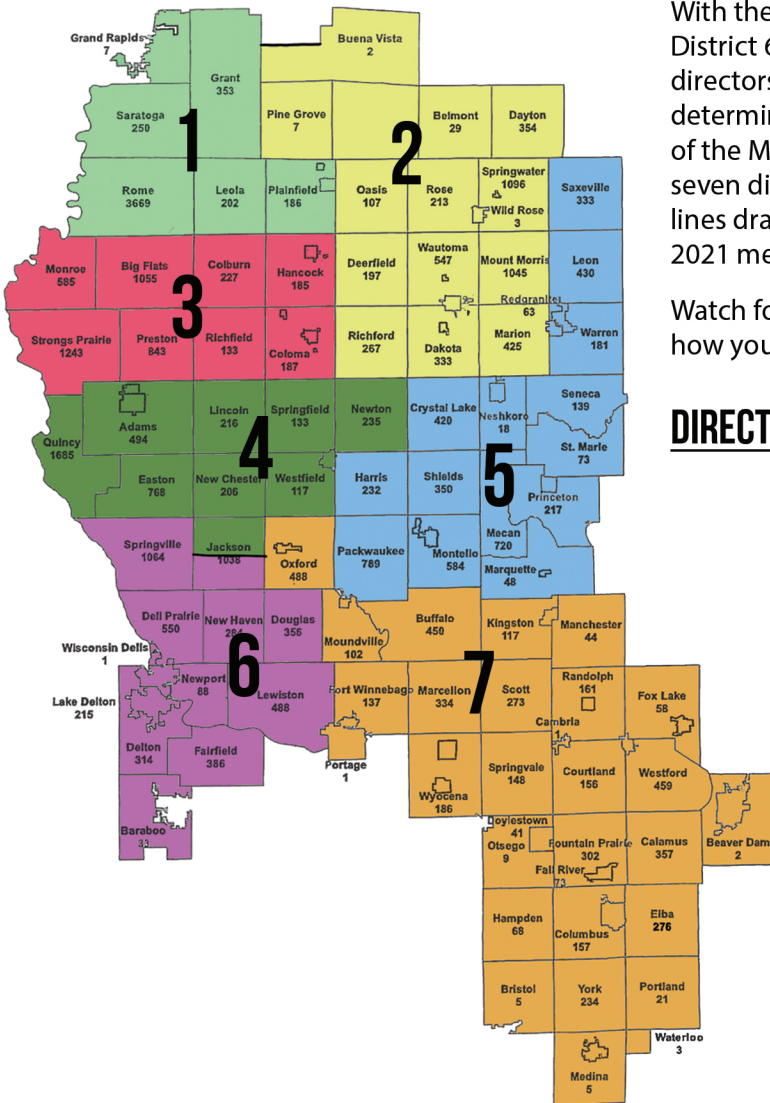

MEETING MINUTES

Did you know we post monthly board meeting minutes on our website?

Visit us online to get the scoop on what your board of directors have been up to!

OUR NEW NEWSLETTER,
THE WIRE, WILL DEBUT
NEXT MONTH!

BOARD SIZE & ANNUAL MEETING INFORMATION

With the 2021 director election, we would see District 1, District 6 and an At-Large seat up for election. With these directors choosing not to run for another term, the board determined the time was right to resize and redistrict. As of the May 2021 Annual Meeting, the board will consist of seven districts with no at-large seats. With the new district lines drawn, District 1 and 2 will be up for election at the 2021 meeting.

Watch for additional details in next month's newsletter on how you can run for the board if you live in District 1 or 2.

DIRECTOR QUALIFICATIONS AS CITED IN THE BYLAWS:

- To be a full-time resident and member in good standing in the director district from which he or she has been nominated.
- Cannot be employed by or financially interested in a competing enterprise or business selling energy or supplies to the cooperative.
- Cannot have been in default on any obligations to the cooperative in the preceding 12 months.
- Cannot have been employed in any capacity by the cooperative within five years of the date of the election.
- Cannot be an incumbent of, or candidate for, an elective county, state, or federal office filled by election on a party ticket.
- To have not been convicted of any felony or of any other offense involving a breach of trust.

WATER HEATER PROGRAM

After much evaluation, we have decided to discontinue the sale and installation of water heaters effective January 29, 2021. The number of installs over the last few years has steadily declined and we simply cannot compete with the pricing and offerings from big box stores. Visit our website for alternative service providers.
