

We're recognizing linemen for the amazing job they do to make sure we have electricity. Think about all the ways you use electricity every day. Do you use a phone, watch TV, play video games, or turn on lights? You're able to do *all of those things* because of linemen.

Below is space to color and write a thank you note to your local linemen. Write your note, then ask an adult to help you send it back to us so we can share it on Lineman Appreciation Day on April 18.
