

Engineering Coordinator

Adams-Columbia Electric Cooperative is now accepting applications for an **Engineering Coordinator**.

Duties will include assisting in the long and short-term planning and standards, supporting the Engineering and Operations staff, performing engineering analysis utilizing MilSoft WindMil, Operations Analytics, SCADA, and AMI technologies.

Looking for someone who is self- motivated and with excellent communication and computer skills. Candidate with an Associate Degree in Electrical Technology or equivalent experience and previous experiences with NISC software preferred. To apply, or for more information, please visit <http://www.acecwi.com/Careers> to download an application. You may also pick up an application in person at the Friendship office. The deadline to apply is Friday, April 28th at 4:00 p.m.
