Operation Round Up Application Individual

The application must be completed in its entirety and be very specific in your request. Incomplete applications will not be considered for fund allocation. Be advised that funds will not be granted for general operating expenses or utilities. Applicants will be notified of the board's decision within 5 business days of the Operation Round-Up board meeting. **Due to an increased number of requests and limited funding, Operation Round-Up may not be able to support all requests. We are unable to reimburse applicants for completed projects. The preferred payment method for grant distribution is to mail a check directly to a vendor.**
