Operation Round Up Application Organization/Agency

Only completed applications will be considered by the Operation Round-Up board of directors. A completed application includes a complete individual or organizational application, financials or reason why financials are not available, and an itemized estimate or invoice for your request. **Due to an increased number of requests and limited funding, Operation Round-Up may not be able to support all requests. We are unable to reimburse applicants for completed projects. The preferred payment method for grant distribution is to mail a check directly to a vendor.**
